2) Your letter 2301/CB dt. 12-9-49.

Sir,

With reference to your letter cited above, I am to state that the pay of establishments paid from contingencies should be regulated as per orders contained in Government of India, Ministry of Finance, O.M. S.F.1(36) Est.(Spl)/47 dated 5th December 1947. Accordingly they may be allowed pay at an amount equal to the pay admissible from time to time to Class IV employees of the Central Government or where the rates of local Government are lower at the rates admissible to employees of the local Government of corresponding grades borne on the regular establishments. For this purpose the 'Local Government' should be held to mean the 'Government of Mysore' and not the Mysore (1) Assigned Tract Administration (2) Residency as contended. Necessary revision may therefore be made and the statement submitted to this office for check.

The pay of whole time employees paid from contingencies of the Mysore Residency was fixed in the scale of Rs. 30 - ½ - 35 under specific orders from the Government of India. Vide Ministry of States Memo F. 16(14) E/48 dated 27-4-48 addressed to the office on Special Duty (H.R) Bangalore. Similarly the pay of some servants of the Food Control Office was fixed as mention of them was definitely made in the schedule appended to the Ministry of States Memo No. F. 15(21) E(S)/47 dated 26-2-48.

The receipt of this letter may kindly be acknowledged.

Sub: Revision of Pay Scales - Cases of menials paid out of Contingencies.

Ref: Letter No.T.I.B./Bang/802 dated 25-1-1950 from Accountant General Madras to you and your forwarding letter No.11665 dated 1-3-50 and reminder No.3756/CB dt.30-5-50

CHIEF SECRETARY 74 21 JUN 1950 CB GOVT. OF MYSORE

In accordance with Government of India memourandum issued by the Ministry of States, New Delhi (vide No.F.15(21)-E/S/47 dated 7-2-48) the pay of the menials paid out of contingencies were revised and fixed at the rates admissible from time to time to Class IV employees of the Central Government and arrear claims were sent to Accountant General, Madras but he passed only a portion of the claim for payments.

The Accountant General Madras who was addressed in the matter stated that the pay of the menials should be revised in accordance with the scales admissible to employees of the local Government of corresponding grades borne on the regular establishment and the Local Government should be held to mean the "Government of Mysore" and not Assigned Tract Administration or Residency" but when his attention was drawn to the payments made by the Mysore Residency and the Food Department to their menials at higher rates (i.e., scales admissible to Class IV employees of the Central - Government) it was stated that the claims were passed under specific order of Government of India (vide Ministry of States memorandum No.16(14)-E/14 dated 27-4-1948 and F. 15(21)E(S)/47 dated 26-2-1948).

While the employees of the same category attached to Mysore Residency and Food department were paid at an enhanced rate it is only fair that the menials employed under the Collectorate

P.T.O.

Collectorate should also be paid at the same rate.

I therefore request that Government of India may please be moved to issue necessary orders in matter.

Sir,

Subject:- Revision of Pay scales as applied to the menials paid out of contin-gencies attahced to Collector's Office etc. -- Issue of specific orders as required by Accountant - General, Madras -- Requested.

***

In accordance with the Revision of Pay Scales as applied to the menials paid out of contingencies in the Ministry of States memorandum No.F.15(21)-E(S) /47 dated 11-2-1948 (extract enclosed for reference) the pay scales were revised and fixed by the Deputy-Commissioner, Bangalore District (Urban) Bangalore in his proceedings No.12889/I/1949 dated 8-2-1949 (Copy enclosed) and the claims preferred to Accountant General, Madras.

The Accountant General, Madras has passed only the difference in allowances (i.e, Dearness.Allowance etc.,) but has disallowed the difference in pay (vide - copy of Accountant General's letter No.TIB/Bang/92 dated 16-5-.1949 addressed to the Comptroller to the Government of Mysore enclosed for reference) on the ground that the pay of menials paid from contingencies had to be regulated in accordance with the rates of pay admissible to employees of the local Governments of corresponding grades borne on the regular establishment . The Deputy Commissioner ~~who~~ drew the attention of the Accounting Officer (vide his letter No.688/I/49 dated 29-8-1949 copy enclosed) to the fact that he had passed similar claims on former occasions, of menials attached to Residency, and some servants of Food Control Office whose pay and allowances were also

P.T.O.

also/-

also revised and fixed at the rates admissible from time to time to Class IV employee of the Central - Government. But the Accounting Officer contends that their claims were passed under specific orders of Government of India (vide Ministry of States memorandum No.16(14)-E/14 dated 27-4-1948 and the schedule attached to memorandum No.F.15(21) E(S)/47 dated 26-2-1948) and in the absence of specific orders the Local Government should be held to mean the Government of Mysore and not the Assigned Tract Administration or Residency (vide copy of letter No.TIB/Bang/902 dated 25-1-1950 from Accountant General to Chief Secretary to the Government of Mysore enclosed).

While the menials Staff attached to the Food Control Department ~~were~~ given the benefit of their scales being fixed at the rates admissibe to Class IV employees of the Central Government, it is ~~but fair~~ and reasonable that the menials employed under the Collectorate should also be paid likewise, ~~at the same rates~~ and if the Ministry has no objection, the benefit may kindly be extended to them also and orders be kindly obtained and communicated early to this Government.

The administrative authorities are competent to fix the pay of the establishment paid from contingent grant subject to the condition that the rate of pay does not exceed such pay or scale of pay as may be fixed by Government for any particular class or classes of such servants borne on regular establishment. Accordingly the emoluments of whole-time employees paid from contingencies may be fixed at an amount equal to the pay and dearness allowance admissible from the time to class IV employees of the Central - Government in whose case retrospective effect is permissible from 1st Jan 47 or from the date of entry into service in the case of those who entered service after 1st January 1947.

On 1st Janauary 1947 the Local Government for the office of the Collectorate was Mysore Residency. The pay payable to employees of the Local Government was in the scale 30-½-35 and as such the pay of menials paid from Contingencies should be regulated in accordance with the above scale (vide Government of India memo No.FL(36)-Est(Spl)/47 dated 5th December 1947).

In accordance with the above memo the pay of menials attached to this office and who were paid from contingencies fixed in the scale 30-½-35 and claims were preferred through the Mysore - Residency Bangalore, but you have allowed only the arrears of Dearness Allowance and disallowed the difference of Pay, in your above letter.
